

Jerome Hill Climb 2020 – 3.5 Mile Course

Start line for 2020 will start by the north end of the parking lot. The starting line will be set up on the southbound section of the road only from 6:30am-8:30am. Runners will be staged in the parking area and moved onto the road in small groups and started immediately. Start line will be picked up as soon as the last runner starts. Cars are allowed to drive over the start line if needed and a volunteer will be stationed by the start line to hold any runners from entering the start line if a car is actually driving south. The runners will continue up Jerome-Perkinsville Rd until they reach the cattle guard 3.5 miles from the start.
